The Cardinals aren't picking early enough to seriously consider landing a franchise quarterback, football jerseys, although that could be a position of need even after the team signs a veteran to push Matt Leinart. Leinart's contract balloons in value in 2011. Arizona Cardinals "I think he'll be there [when the Colts open training camp]. I know Reggie; I know what kind of guy Reggie is and I'm pretty sure things will work out for him." Arizona still could stand to bolster its defensive line in the draft, nhl hockey jersey, particularly at nose tackle. The two productive receivers are hoping for revised contracts with boosted pay. Front-loaded contracts for each mean base salaries now that aren't near the top of the receiver list in 2010. Wayne's slated to make \$5.47 million and Johnson \$5.8 million this season. St. Louis Rams ? Draft Watch: Biggest needs (2/17) | Busts/gems (2/24) | Schemes, 2012 nike nfl jerseys, themes (3/3) | Recent history (3/10) | Needs revisited (3/17) | Under-the-radar needs (3/26) | History in that spot (3/31) | Draft approach (4/7) | Decision-makers (4/14) | Dream scenario/Plan B (4/21) Finally, nfl nike, the 49ers have been visiting with free-agent linebacker Akin Ayodele. Signing Ayodele would give the team welcome veteran depth at inside linebacker behind Patrick Willis and Takeo Spikes. That type of signing would address a potential draft need. , nba swingman jersey They both played in college for Miami and live there for much of the offseason. Wayne's working out at home more often, discount basketball jerseys, but the two have still spent time together, nike pro combat nfl uniforms, new era nfl hats, Johnson said. Offensive tackle was a draft need even before Tony Pashos signed with Cleveland and Barry Sims scheduled a visit with the Redskins. Sims has had value as a swing tackle. Pashos provided more depth even though he was one-dimensional as a right tackle only Seattle Seahawks "We talk about it; we've talked about it, make a hockey jersey," Johnson said. "And we understand that it's part of the business. That's just part of it. It's a violent game, design your own hockey jersey, probably the most physical game in the world. And it's the most cut-throat game in the world. But we all understand that. The Rams' draft scenarios came into clearer focus when the team signed A. J. Feeley as its No. 2 quarterback before adding defensive tackle Fred Robbins. Losing Karlos Dansby in free agency and not signing Larry Foote left the Cardinals with a need at inside linebacker even though Paris Lenon's addition helped some. The team is different but not necessarily better at defensive end after sending Darryl Tapp to the Eagles for Chris Clemons and a 2010 fourth-round choice. Defensive end remains a need as Seattle tries to improve its pass rush. Seattle could sensibly address the need at guard by signing a veteran free agent such as Ben Hamilton, make your nba jersey, who has experience in line coach Alex Gibbs' system. The Seahawks' interest in Chargers backup quarterback Charlie Whitehurst could lead to a trade that would address another need. San Francisco 49ers The Rams haven't upgraded their front-line talent in free agency. Their core draft needs remain. Losing pass-rushers Leonard Little and/or James Hall in free agency would accentuate the immediate need for help in that area. The Saints might have interest in one or both. Placing the lowest tender on restricted free agent Oshiomogho Atogwe showed the Rams could be willing to part with him. Losing him would create another need along with linebacker. The Rams have shown interest in veteran linebacker Na'il Diggs, 2012 nfl jerseys, but they need more young talent at the position and the draft could help. Cornerback remains an

obvious position for the 49ers to target in the draft. They've relied on older veterans at the position in recent seasons. Nate Clements' long-term future with the team is in some question. The 49ers haven't addressed the position in free agency. The draft awaits. Safety could have been another concern, nfl jerseys wholesale, but the Cardinals acted quickly to replace Antrel Rolle with Kerry Rhodes. The Cardinals also protected themselves on the offensive line by adding guard Rex Hadnot and re-signing tackle Jeremy Bridges. Those moves bought some flexibility in the draft. "It's out of my control, reversible hockey jersey," Johnson said. "I feel like it will all work out. And I'm just getting ready to play this season. That's pretty much it." Each Wednesday leading up to the NFL draft (April 22-24), throwback jerseys nba, the ESPN.com blog network will take a division-by-division look at key aspects of the draft. Today's topic: Biggest needs revisited. Colts president Bill Polian has indicated Wayne and another veteran looking for a revised deal, hockey jerseys custom, defensive end Robert Mathis, mlb jerseys cheap, won't get them because of the uncertainty about the structure of a collective bargaining agreement going forward. HOUSTON — Andre Johnson stayed away from his team for only a few days. Reggie Wayne has not been with the Colts for an offseason practice yet. The moves set up the Rams to select a quarterback first overall if Sam Bradford appeals to them. Feeley could mentor Bradford while Robbins provided needed muscle on defense (the Rams would be bypassing defensive tackles Ndamukong Suh and Gerald McCoy under this scenario). Indications from Houston have been that the Texans are willing to review Johnson's deal, nba jersey for sale, which has six years remaining. He's hired Kennard McGuire as his agent, custom hockey jerseys, and general manager Rick Smith said the two have been in touch. Smith won't talk about a deal beyond opening day if things aren't resolved by then, yankee jersey, however. ? NFC Needs Revisited: East | West | North | South ? AFC: East | West | North | South Existing needs included offensive tackle, nba jerseys, guard, customized nba jerseys, quarterback, yankees jersey, defensive end and cornerback. The Seahawks' needs have become more obvious since the free-agent signing period opened. Deon Grant's release left Jordan Babineaux and Jamar Adams as the only safeties under contract. That's a position the Seahawks need to address, cheap authentic mlb jerseys, probably in the draft. The opening weeks of free agency have only confirmed the 49ers' needs on the offensive line. It's important for the team to find a starting right tackle. A starter or at least quality depth at guard would also help.
